Domaine Michel PRUNIER & Fille is located in the village of Auxey-Duresses, in the heart of the Côte de Beaune. Michel and Michelle PRUNIER's daughter Estelle, the fifth generation of the family, is now managing the business. The domaine's vineyards extend over 12 hectares in Auxey-Duresses, Meursault, Volnay, Pommard, Chorey Beaune and Beaune. From Bourgogne Aligoté to Meursault Les Clous for the whites, and Burgundy Pinot Noir to Volnay 1er Cru Les Caillerets for the reds, this domaine produces 17 characterful wines. The domaine respects tradition and gives high priority to the preservation of the quality of the harvest: sustainable growing, harvesting by hand and a meticulous sorting of the grapes. One of the nice things about this family-owned estate is its warm welcome. Estelle and Michelle love to talk about their wines, and Michel, known for his talent as a singer, leads his audiences through the choruses of his Burgundy folk repertoire.
