It's in the foothills of the "Dentelles de Montmirail" (mountain range sculpted by erosion), a few kilometers from Mont Ventoux, that is the village Beaumes de Venise, where we find the Domaine FENOUILLET. This family estate of 5 generations, more passionate than the others, has enriched new plots and new appellations and today has 30 hectares and use organic growing methods. They combine traditional and progressive techniques in order to ensure the highest quality possible especially through the 2 Grands Crus : Le Beaumes de Venise rouge AOP and the Muscat de Beaumes de Venise AOP. Valentin et Justine, soon graduates, will continue this tradition and this know-how for the future of the estate.
