Domaine JOANNET is a typical family estate located in Marey-les-Fuissey, in the Hautes Côtes de Nuits, managed by Michel and Fabien JOANNET. They work 20 hectares of vines with a variety of appellations ranging from the Côte de Beaune (Pernand Vergelesses and Pernand Vergelesses 1er Cru) to the Côte de Nuits (Vosne Romanée and Vosne Romanée 1er Cru) and the Hautes Côtes de Nuits (Bourgogne Hautes-Côtes de Nuits and Bourgogne Hautes-Côtes de Beaune).

In order to protect the environment, the domaine manages and protects its vineyards using sustainable practices.

The cuvées, which are carefully aged in oak barrels, benefit from a traditional vinification combined with modern techniques to produce fine quality wines.
