Nicole and Claude Paris and their son manage "LE CLOS DU LUCQUIER", a family-owned property for 5 generations situated in the heart of the Jonquières vineyards, near the St Saturnin, Montpeyrroux and Aniane terroirs, 30km North-West of Montpellier. These 15 hectares of sustainably managed vineyards, lying on clay-limestone terraces situated between Arboras and St-Guilhem-du-Désert, grow 4 Southern grape varieties: Syrah, Grenache, Mourvèdre and Cinsault. Ageing lasts 12 to 14 months and is carried out in French oak casks.
