Located in Pernand Vergelesses, north of the Côte de Beaune, the DUBREUIL-FONTAINE Père & Fils estate has 20 hectares of vines with no less than 22 appellations: from fresh Burgundy wines to the lively village of Pernand-Vergelesses, from the prestigious Premier Cru Pommard Epenots and the rare Grand Cru Corton Bressandes. The estate is managed today by Christine Dubreuil who represents the fifth generation of winemakers. Farming methods are environmentally friendly and undertaken according to the principles of sustainable agriculture. The harvest is carried out by hand at full maturity and sorted on arrival at the winery.
