Located in Chassagne-Montrachet, Domaine FONTAINE-GAGNARD was founded in 1985 by Laurence, daughter of Jacques and Marie-Josèphe Gagnard, and her husband Richard. Laurence and Richard's daughter, Céline, has now joined them and co-manages the domaine. The Gagnard family has worked the vineyards for several centuries and the estate continues this legacy with a love of the land and the pursuit of optimum quality. The domaine covers 12 hectares of sustainably-grown vineyards, most of which are located in the Chassagne-Montrachet commune, plus a few plots in Volnay and Pommard.
