Vigneron indépendant

The GIRARDS have been wine growers in Savigny-les-Beaune from father to son for over 5 centuries. Since 1998, Jean-Jacques Girard, supported by his wife Agnès and, since 2009, joined by their son Vincent, has perpetuated the tradition, managing the 18 hectare family domaine. The sustainably-grown vineyards are spread over the communes of Savigny-les-Beaune, Pernand-Vergelesses, Aloxe-Corton, Volnay, Pommard, Meursault, Beaune and Geurey-Chambertin. Situated in a beautiful manor house in Savigny-lès-Beaune, the domaine produces more than 22 appellations, including several Premiers and Grands Crus.
