Domaine MAZILLY Père & Fils has been established in Meloisey, a small village in the Côte de Beaune, a few kilometres east of Pommard, for four generations. Today it is managed by Pierre Mazilly's son and grandson, Frédéric and Aymeric, who are perpetuating the family tradition.

The vineyards cover 18 hectares, mainly located in the Côte de Beaune, with certain parcels located in famous appellations areas, such as Geurey Chambertin, Pommard, Volnay and Meursault.

Frédéric and Aymeric produce delectable, fruity, well-oaked red wines, and rich, fat, whites, which are balanced and structured on the palate.
