Les PETITS CHAMPS LINS is a 9-hectare family wine domaine situated in Meursault. It is the result of the union between two historical Burgundian wine domains: Domaine Diane Levez in Meursault and Domaine Jean Luc Fouquerand in Rochepot. Together they have a combined experience of almost 200 years producing fine wine in Burgundy!

Vick and Clémentine, Jean-Luc and Diane Fouquerand's two daughters, work together at the domaine using innovative, state-of-the-art winemaking techniques combined with ancestral methods of vinification in order to preserve the harmonious union between tradition and modernity. The domaine produces wines from the following prestigious appellations: Meursault, Volnay, Corton, Saigny-lès-Beaune, Saint Aubin and Chassagne Montrachet.
